IN THE UNITED STATES DISTRICT COURT FOR THE NORTHERN DISTRICT OF MISSISSIPPI

UNITED STATES OF AMERICA

VS. NO.: 3:21-CR-107-NBB-RP

JAMARR SMITH, et al.

MOTION IN LIMINE AS TO PREJUDICIAL PHOTOGRAPHS

COMES NOW, Jamarr Smith, and files this Motion in Limine as to Prejudicial Photographs, and would state unto the court as follows:

I.

It is anticipated that the government may attempt to introduce evidence of photographs taken from Facebook or other social media of the defendants depicting firearms.

II.

The Court should exclude this evidence under Fed. R. Evid. 403 on the basis that such evidence is far more prejudicial than probative, particularly since the defendants are allowed to legally possess firearms, and the probative value of a picture of a firearm on someone's Facebook page is extremely low.

WHEREFORE, PREMISES CONSIDERED, the defendant Jamarr Smith respectfully requests that the Court prohibit introduction of evidence of photographs of firearms from the

defendants' social media pages.

## RESPECTFULLY SUBMITTED,

JAMARR SMITH
